

THE WHITE HOUSE
WASHINGTON

Santa Barbara

August 23, 1985

Dear Bob:

Many thanks for your message during my recent surgery. Your warm wishes, which, by the way, I read about in the newspapers, helped give me the strength to know that I had to get back into action as quickly as possible. Of course, Bob, I always read the paper with an open mind.

Sincerely,

The Honorable Bob Dole
Majority Leader
United States Senate
