Dear Bob:

If the story weren't so damn good - - I wouldn't remind you again.

I would love to have that tale about the Colonel reviewing his troops and the information concerning Haley's Coment.

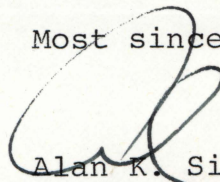

It would be a hell of a good one to tell before a Veterans organization. Since I am now the ranking minority member of the Veterans Affairs Committee I will probably be having that opportunity!

I will always embargo the material if in the presence of my fellow members of the Committee!

You gave a hell of a fine talk the night of the VFW Banquet. And congratulations on the receipt of the fine award.

Kind personal regards.

Most sincerely,

Alan K. Simpson
