

Dear Folks:

It's 2: A.M. and I've just finished studying for my tomorrow's lessons. I've really been studying the last 2 ~~next~~ weeks as you probably know my grades aren't very good at all; but I'll get them up before May 16.

I'm going to Hutchinson Saturday and Sunday with Groce to meet her folks and talk to them ~~to~~ about putting out my pin. I haven't seen much of her so far this week because we've both been studying.

Dad & paid my household last week, \$6.76 and my cleaning bill \$6.84.

I really had a surprise last Tuesday. Anna and Harry sent me the \$20 plus \$20 more which makes a total of \$40. I'm going to write her as soon as I finish this and thank her a thousand times. I still have \$35 of it and I'm going to use it to put out my pin. April 9.

I got my clothes, but I couldn't find a letter so I'll send one as soon as you get this ~~to~~ so that I can hear from you before I go to Hutchinson.

Has Bob got my 2 blue ties cleaned yet if he has. You might send them the next time I send my laundry home which will be tomorrow.

We may have to close our kitchen the 1st of April ~~soon~~ because we are losing too much money. I don't know what I'd do if that happened because it would mean that I'd be without a job.

work at the Jayhawk cafe for 50¢ an hour if I want to but my grades are so low that I should study all the time I can. We are talking of eating with the Delta ~~Theta~~
~~Alpha~~psilon next door and maybe I can wait tables there, unless they use their own boys for the job.

We have a track meet the 15th of April and I'm working pretty hard. We have a new track coach, Henry Shenk.

Are you training down the house yet mom or haven't you talked Dale into it yet. Sounds like a good idea to me.

I wore my new suit Sunday as I was a guest at the Kappa Alpha Theta sorority. Ward and Burt were there too. It made me sort of nervous eating with 50 girls and I was ~~screamed~~ scared that I should do something wrong concerning table manners but I didn't.

I went to the Theta Spring Formal Party Saturday night with Dale & it sure was nice.

~~Just~~ Just 5 more weeks of school and then the Army. I can hardly wait, no kidding.

Hope you can read my writing I'm terribly sleepy.

Good-bye -

Love

Bob

P. S. I'm hungry.

P.S. S. When can I bring Grace home with me. You'll all just love her, especially Kenny. (and Dale)?

When is Kenny coming down?
