Dear Bob. Sure sorry to learn of your bad
luck. Sure hope you are getting along
alright & that you will soon be yourself
again. Be assured Bob that we do
not forget you in our prayers. It
does look now as if the war in the
European sector will soon be over. How
happy every one will be when it is all
over everywhere. Kans sure looks
swell these days. Trees are leafing out
in a fine way & the flowers are show-
ing themselves too. I am sure it would
look grand to every Kans. boy who is
over seas. These fine days are hard on
the kids to stay in school. You will re-
member all this. Mrs. Jenkin joins me
Bob in all good wishes for your speedy
return to perfect condition.
