Dear folk's:

Well I got a letter last night
and today is my day off so I will
write you a letter, Bob + I were
going to call home today but he
got room orderly so we will call
next Sunday if one of us don't
get extra detail I really hated it
last but got room orderly, but
his platoon didn't do so good
on inspection so they all have
to pay for it. I went to town
last night, for the first time
it is not a bad town but
all you can see is soldiers,
I got a ride to town in
a 41 Buick but it cost me 50¢
III OVER III

but it was worth it it
is the first rib I have had
since I left home. Come
went with me, we had a
big steak, ice cream, pie, and
just everything, it cost me
about \$6.00 but it was
worth it, I had some
pictures taken but they
weren't so hot. I will send
them to you, please write to
me every day as I am
getting a little homesick,
next after next the whole
company is going on a
picnic, no kidding.

They are going to have beer and
fried chicken, if they can get
the chicken, I really hope they
get the chicken, Dad when you
get time and if you can do it
try to find out for me if
there is any chance for me to
get to the hospital at Walker
they told us yesterday that
70% of us would go to Base
hospitals, if you could see
someone there at Walker or the
company commander I really
think it could be fixed up
so please do this for me
it would really be swell if
I could get there. over.

Well I can't think of
any more to write for now so
I will close with my day,
and please see what you can
do about the Walker hospital

Love
Lemey
