Dear Folks:

I received your box last night.
and everything arrived in good
condition and everything is really swell.
I put some of those pictures in that
folder you sent it is really a nice
I have it on my shelf, there isn't
anything to write about except the 25
miles we had wasn't so bad as
we went slow and I made it ok.

Today we start wearing our
O.D.'s, mine fit ok. Bob + I will
try to have some pictures taken in
town, we have another big hike this week
on ~~Wednesday~~ Wednesday, but I was
lucky. I have R.P. Wed. so I will
miss it. week after next we have
Arivnac for 6 days so it will be
over before long and then I might
am

be lucky enough to get a
furlough, it will be just luck if
it do, the basic isn't tough any
more as I am used to it the hardest
thing here for me is to get out of
bed in the morning, it is getting cold
here, we have a fire most of the
time. Bebe + Eric + I are going to a
show this afternoon, if you want
to I could use about \$10.00 to buy a
Garrison hat + a belt and maybe a
pair of gloves, I don't want to spend
any more than I have to as I may need
it for a furlough. I hope - well be
careful and take care of everything, hope
Russell wins all the games they ~~lose~~
are doing ok.

Love
Kenney
