Dear folk's:

Well here I am still away out here, on this island, I am feeling just fine, and am getting along ok. I have in everything back home coming along, I hope ok. I have in Peggy Lynn, I bet she is really growing up, tell her hello for me and all the rest of my friends, and tell them I will write as soon as I find time, it is really hot here and it rains every day, we are sleeping in tents and the show isn't too bad, but I sure can't expect much over here, well I will close, hoping to hear from all of you soon.
