

DEAR Folk's & Sis:

NEW GUIANA
FEB 7
March 10

It is getting rather late
and my candle is getting rather short
so this may have to be rather hard
to read, but I will do my best
as I go ~~about~~ along.

I received a letter from Dad
today dated on the 28th Feb, not
had time, also one from Bob in
14 days which is exceptionally good
time.

I got the newspaper clippings you
sent and some of them gave me quite
a shock, especially about Glen Danielson
I just can't believe he is missing
it seems only yesterday he was
in the Drug Store drinking a cherry Coke
that's all he ever drank and I
knew what he wanted before he
ever gave me his order - if I
thought I could find him I would

take off right now and go.
but it is just one of those things
that seems as though it just had
to be, I know you are worried
about me and I know regardless
of what I tell you, you will
still worry. but for my sake
please don't worry about me, I
am as safe here as you are
at home.

Well I just can't hardly
~~stay~~ stay awake much longer
so I will have to bring
this to a close and try to
do better tomorrow so I will
say goodnight and hit the sack.
so long for now, give my
regards to all, also my love

Love
Denny
