NEWS PHOTO-FLASHES AND ENGRAVING

For four innings Tuesday night the Old Timers had the Russell ball club in a sack. Manager Michaelis was tearing out his hair and warming up pitchers to stop the terrific barrage of base hits laid down by the Old Folks. Not an earned

run was scored off Musgrove who was invincible. However he had plenty of trouble to stop any scoring with his backing pulling 11 errors behind him. There is a limit to which anyone not in shape can go, and when Musgrove col-

lapsed—the lead of six runs faded. A parade of pitchers by the Old Timers failed to stop the bats of the youngsters and when the replacements went in, the score mounted to 23 to 12 in favor of the old boys.

### OLD TIMERS 8—RUSSELL 2

(Continued from front page)

For the Old Folks, Musgrove, Rogers catching, Black on third and Manning on short were the stars. These four could help any ball club. In fact these men could be of great help to the present club, although they do have a fine team and are worthy of your patronage in every game. Some money was raised to help the club as there was about 250 paid admissions at 15c each.

The game should have been called in the fifth, not later than the seventh. After that the crowd grew as tired as the old timers. The only difference the crowd could go home and the old boys had to stay until they registered 24 put outs.

Those taking part for the Old Timers: Krumpfus, Ulrich, Black, W. Strecker, Hogue, Jackson H., Jackson P., Rogers, Reinhardt, J. Dumler, Mai, Kling, Propp, E. Dumler, Tooley, Manning, Musgrove, Somers, Spurrier, Maronde, Ball and Himes. Of the twenty-three taking part two of the vets were able to get about the next day without assistance.
