Cong. Dole issued following statement-----This afternoon Cong. Shriver, Skubitz and Dole met with Christian A. Herter, Spec. Rep. for Trade Negotiations, concerning beef imports. About 20 Members of Congress were present along with aides from the USDA and State Dept.

Herter indicated, as did Sec. Freeman last Thursday afternoon, that the best possible solution would be some voluntary arrangement with Australia and New Zealand, and further indicated this action would consume a considerable amount of time.
