

*Called to Jim Bruner thru  
11/6/64 Hatch*

*11/6/64*

Congressman Bob Dole announced today he has been informed by the Federal Aviation Agency that the Liberal airport will be provided *a*  
*new* Airport Information Desk on January 1, 1965.

Dole explained the Airport Information Desk is a new type of terminal service facility which will provide fastline service to a parent flight service station; service "A" weather teletype; and current flight planning data.

These facilities will be readily accessible to pilots during the hours of operation of the airport, ~~and~~ Dole stated ~~are~~ being this *is* a part of the ~~test~~ 60month test plan being inaugurated by the Federal Aviation Agency beginning January 1 as a part of its proposal to consolidate and modernize flight service stations.
