The text of the Resolution is as follows:

H. RES. _____

To authorize the Committee on Education and Labor to conduct an investigation and study of the Office of Education.

That the Committee on Education and Labor, acting as a whole or by subcommittee, is authorized and directed to conduct a full and complete investigation and study of the practices followed by the Office of Education in providing assistance for education, with a view to determining whether such practices adequately insure that Federal funds are not used to pay the salaries of, or to provide educational assistance to, persons who, though willing to accept such Federal funds, are in fact opposed to the interests of the United States, either at home or abroad.

For the purpose of carrying out this resolution the committee or subcommittee is authorized to sit and act during the present Congress at such times and places within the United States, including any Commonwealth or possession thereof, whether the House is in session, has recessed, or has adjourned, to hold such hearings, and to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, and documents, as it deems necessary; except that neither the committee nor any subcommittee thereof may sit while the House is meeting unless special leave to sit shall have been obtained from the House. Subpoenas may be issued under the signature of the Chairman of the Committee or any member of the Committee designated by him, and may be served by any person designated by such Chairman or member.

The Committee shall report to the House as soon as practicable during the present Congress the results of its investigation and study, together with such recommendations as it deems advisable. Any such report which is made when the House is not in session shall be filed with the Clerk of the House.
