Congressman Bob Dole announced the availability of two 16 millimeter color films with sound entitled, "The four Days of Gemini 4", for showing in the 1st Congressional District.

"The 30-minute film including the historic space walk of Astronaut Edward H. White is ideal for meetings and programs of service clubs, schools and other organizations. Anyone interested in scheduling it for a program should contact my district office, Room 210, Federal Building, Hutchinson, Kansas (Phone MO2-4048.) Every effort will be made to schedule it on the date it is desired," Dole said.

He suggested the selection of 2 or 3 alternate dates in the event it may be impossible to provide the film on the date desired.
