FOR RELEASE AM'S MONDAY, AUGUST 5

WICHITA, Kans., Aug. 5 -- Bob Gadberry, chairman of the Dole for Senate committee, ~~today~~ ^{to} said, "All signs point to victory for Bob Dole tomorrow."

~~In a statement released today, Gadberry said, "It appears Bob Dole will carry the Republican banner for U.S. Senator through November."~~

"What has impressed me most," he said, "is the ~~hundreds~~ ^{thousands} -- of Kansans who have actively participated in the Dole campaign. ~~Even~~ ^A substantial number of Democrats and independents have indicated strong support of Dole's candidacy and the willingness to actively work in his behalf through the general election."

"Bob Dole is the one who will win the Republican nomination for U.S. Senator and the one who can win in November," he said. "Dole's vigor and comparative youthfulness coupled with his ability to get things done during his nearly eight years in the Congress make him the kind of man who can give all Kansans the kind of responsible, progressive representation we need in Washington."
