Arrangements are now being made for Julie Nixon, daughter of Richard Nixon, the Republican candidate for the Presidency, and David Eisenhower, grandson of former President Eisenhower, to visit Salina and Abilene, Kansas, on Tuesday, October 15. The visit is timed to coincide with the proclamation declaring October 13-19 as "Salute to Eisenhower Week".

The two are expected to arrive at the Salina Airport at 11:15 a.m. where a rally will be held. A LADIES' PRESS CONFERENCE WILL FOLLOW THE RALLY, AND WE INVITE YOU TO BE PRESENT.

Julie and David will then go by motorcade to Abilene where they will tour the Eisenhower boyhood home, museum, and library. Car caravans will motor to Salina to participate in the airport rally and join the motorcade to Abilene.

We hope you can be present as our guests to meet and visit with Julie and David and to participate in the press conference. Men are welcome, too!!
