WASHINGTON, D.C. 20515

FOR IMMEDIATE RELEASE TUESDAY, NOV. 26, 1968

WASHINGTON, D.C., Nov. 26 -- Senator-elect Bob Dole today said he is "elated but certainly not surprised" that former Kansas Congressman Bob Ellsworth has been appointed by President-elect Richard Nixon to be an Assistant to the President-elect.

In a statement issued here, Dole said, "Ellsworth is truly one of America's bright young men possessing the kind of talent the Nixon Administration will need in providing leadership for America and the free world in the months and years ahead."

"Kansans can be proud that President-elect Nixon has selected Bob Ellsworth for such a prominent role in his Administration."
