CUTLINE FOR RELEASE FEB. 20

WASHINGTON, D.C., Feb. 20 -- U.S. Senator Bob Dole greeted the two Kansas winners of one thousand dollar scholarships awarded by the William Randolph Hearst Foundation recently in Washington.

They are (1) Jere Totten, 17, son of Mr. and Mrs. Harold Totten, Route 2, Jewell and high school junior, Gwen Adams, daughter of Dr. and Mrs. Paul Adams of 420 S. 6 in Osage City.

The two high school students are shown here with Senator Dole as he introduces them to Vice President Spiro Agnew.

The scholarships and the trip to Washington were part of the 1969 United States Senate Youth Program..a program initiated by the late Senator Andrew Schoeppel of Kansas to encourage high school students to develop and maintain an interest in government.

One of the highlights of the week's trip to Washington for the one hundred students selected to take part in this program was the February 5 luncheon hosted by the students for their Senators. Senator Dole introduced the Kansas pair to Vice President Spiro Agnew who was the luncheon speaker.

Before and after the luncheon, the young Kansans visited staff members in the offices of their two Senators, James Pearson and Bob Dole.
