WASHINGTON, D.C., Oct. 3 -- U.S. Senator Bob Dole (R-Kans.) today complimented his Senate colleagues on confirming the nomination of Jack Richardson, Salina, as U.S. Marshall for the district of Kansas.

In a statement in the Senate, Dole said, "Jack Richardson will serve in his new position with the same dedication and integrity which he has demonstrated throughout his law enforcement career."

"He has a thorough, practical understanding of law enforcement, having begun his career as a patrolman with the Salina police department and risen through the ranks to police chief," he added. "Under his leadership, the Salina police force has modernized its facilities and equipment and improved departmental organization through employment of up-to-date management techniques. He has also instituted a broad community relations - crime detection program."
