FOR IMMEDIATE RELEASE

WASHINGTON, D.C. Jan. 27 -- The Kansas Congressional Delegation³³⁸ announced today that the Office of Economic Opportunity has awarded a \$44,858 family planning and state agency assistance grant to the Kansas State Economic Opportunity Office, Topeka.

The funds, which are for a six month period, will be used to develop a program providing family planning information, education and assistance for low-income women. The funds also will be used to develop a program of coordination of state anti-poverty activities.

Kansas will provide an additional \$6,518.
