FOR IMMEDIATE RELEASE

WASHINGTON, D.C., March 17 --- The Immanuel Chapel at the  
Veterans Administration Center in Wadsworth, Kansas, will be  
restored under a \$175,000 program, U.S. Senators James B. Pearson,  
Bob Dole and Rep. Chester L. Mize disclosed today.

Donald E. Johnson, Administrator of Veteran Affairs, informed  
the three Kansas Congressmen that the 77-year-old chapel, which  
VA engineers had declared unsafe five years ago, will be made  
structurally sound.

The project will include air conditioning, electrical and  
heating equipment and paintin.

Ripley's "Believe It Or Not" once referred to the chapel as  
the only one in the world where Catholic and Protestant services  
can be held simultaneously under one roof.
