FOR IMMEDIATE RELEASE

WASHINGTON, D.C., FEB. 17, 1971 -- U.S. Senators Bob Dole and James Pearson and Congressman Larry Winn today announced that a research grant has been awarded to Drs. Richard L. Schiefelbusch and James R. Lent, University of Kansas, Bureau of Child Research.

The Department of HEW announced support of approximately \$401,000 for the two year project titled; "Development and Dissemination of Improved Instructional Technology for Handicapped Children."

The project researchers will undertake the development of functional educational products to improve educational technology for the handicapped.
