FOR IMMEDIATE RELEASE

WASHINGTON, D. C., July 26, 1971 -- U.S Senators Bob Dole and James Pearson announced today that the EPA announced an increase of \$30,360 to the city of Topeka for wet well modifications in lift station and a new interceptor sewer from existing pump station to new pump station which will be a force main station.

This increases the original grant from \$395, 010 to \$425, 370. The site at which the work is to be done is at 215 East Seventh. in Topeka.
