FOR IMMEDIATE RELEASE: FEBRUARY 3, 1972

WASHINGTON, D.C., FEB. 3, 1972 -- U.S. Senator Bob Dole today released a General Accounting Office Report on the utilization of funds by the Kansas Human Needs Corporation, Kansas City, Kansas.

"I believe the report speaks for itself," Dole said, "and I have mailed copies to the Office of Economic Opportunity and the Kansas Human Needs Corporation."

"I do not intend to comment further on the report at this time. In judging the continuous charges and criticisms of the Corporation's former Executive Secretary, Mr. Manuel Fierro, it should be noted that Fierro's sister-in-law is employed by the Democrat National Committee in Washington, D.C."

Copies of the report may be obtained through the General Accounting Office; Office of the Comptroller General of the United States, Washington, D.C. 20548.
