FOR IMMEDIATE RELEASE -- APRIL 2, 1973

WASHINGTON, D.C., APR. 2, 1973 -- Senator Bob Dole today announced that the Veterans Administration is planning a new \$2.5 million laundry facility for the VA Center in Leavenworth.

Dole said that design work will get underway this summer and bid invitations will go out next may with the work contract awarded a month later. Completion of the project is scheduled for July 1975.

The new facility will serve VA hospitals in Leavenworth, Topeka and Kansas City, Mo.

Dole said that existing laundries in the three hospitals are antiquated and each is in need of replacement.
