WASHINGTON, D.C. -- Senator Bob Dole and Congressman Joe Skubitz today announced final HUD approval of an Emporia application which will permit the purchase and conversion of the Broadview Tower Hotel into a 60 unit Elderly Housing facility.

This announcement follows a May 18 decision by the Central HUD office which permitted the necessary upward adjustment in the mortgage allotment for the project. Today's approval of the mortgage contract was granted in the amount of \$1,166,300 with \$48,960 allocated for direct subsidy.

Commenting on today's action, Dole said, "This action will permit work to begin on a project of great importance to the elderly of Emporia and should also have a significant positive impact on the downtown business community."
