WASHINGTON, D.C. -- Senators Bob Dole and James Pearson, and Congressman Joe Skubitz today announced a \$142,920 Department of Labor grant to Midwestern Industries in Ft. Scott. The funds would go into a Job Opportunities in the Business Sector (JOBS) project, which reimburses an employer for his extraordinary expenses in hiring and training workers with little or no previous work experience. Midwestern Industries, Inc. will train 60 tractor-trailer truck drivers. Upon completion of a 20-week training period, each driver will earn \$4,00 an hour.
