ADDITIONAL LOANS FROM FHA

WASHINGTON, D.C.--Senators Bob Dole and James Pearson and Congressman Keith Sebelius announced today that the Farmers Home Administration has approved an additional loan of \$81,000 to Rural Water District No. 1 of Washington County, Kansas. This will complete the funding of the counties project to build a water system serving a rural area in northeastern Washington County. The agency previously has approved \$563,000 of loan financing for the project.

The water system, involving 100 miles of pipeline, will bring central water service to the Hanover and Bremen communities and 163 other connections to farms and rural homes.

Mr. Maurice Meyn of Hanover, Kansas is chairman of Rural Water District No. 1 of Washington County.
