GRANT TO ECONOMIC OPPORTUNITY OFFICE

WASHINGTON, D.C.--Senators Bob Dole and James Pearson today announced a \$14,000 Office of Economic Opportunity grant to the Kansas State Economic Opportunity Office.

The grant will become effective January 1, 1974 and will run for six months.

It will be used to develop information and analysis on current social problems, to develop strategies whereby local officials can integrate social and physical planning, to promote communication and intergovernmental cooperation between the local and state levels of government and to provide on-site technical assistance to cities and social action agencies in human resource development.

Project Director is John Glassman.
