## DOT GRANT TO METROPOLITAN AREA

WASHINGTON, D.C.--Senators Bob Dole, James Pearson and Congressman Larry Winn today announced through their Washington offices a \$566,190 Urban Mass Transportation grant to the Mid America Regional Council of Kansas City from the Department of Transportation.

This money will be used by the Council, which serves the entire Metropolitan area, to support transit related elements of the region's 1974 unified work program and for both short and long rang planning.
