## FHA GRANT TO NEMAHA COUNTY

WASHINGTON, D.C.--Senators Bob Dole and James Pearson today announced an \$85,000 Farmers Home Administration federal grant to Nemaha County Rural Water District #3.

A previously awarded FHA loan for \$2,256,000, local contributions of \$166,000 and today's grant of \$85,000 make this the largest rural district project ever to be constructed at one time in Kansas. The project will serve 660 families in a three county area that includes Marshall, Nemaha and Brown. It will also serve the towns of Corning and Centralia in Nemaha county.

Gilbert Stallbaumer, Baileyville, is Chairman of the water district.
