GRANTS GO TO AID SUMMER TRAINING OF TEACHERS

WASHINGTON, D.C.--Senators Bob Dole and James Pearson and Congressman Joe Skubitz today announced two National Science Foundation grants totalling \$87,528 to Kansas State Teachers College in Emporia. Both grants are to be used in training elementary, junior and senior high school teachers. The summer projects are designed to train individual or groups of teachers to implement specific new course materials.

The biology department will receive \$30,925 for the summer program with John Ransom as director. The remaining \$56,603 will go to the Physical Science department. Thomas E. Bridge will be director of the program.
