FHA LOAN TO SEDGWICK COUNTY

WASHINGTON, D.C.--Senators Bob Dole and James Pearson and Congressman Garner Shriver today announced approval of an additional \$81,000 Farmers Home Administration loan to Rural Water District Number 3 of Sedgwick County. FHA has previously approved \$665,000 of financing and the amount approved today will allow the Water District to complete funding of its project to build a water system.

The District will install a 100-mile system of water distribution line to serve 463 farms, homes and other establishments in a section of the county south of Wichita. Water supply for the District 3 rural system will be purchased from the Wichita city water system.

Mr. Homer Taylor of Derby is chairman of Rural Water District No. 3 in Sedgwick County.
