## MANPOWER PROGRAMS EXTENDED IN KANSAS

WASHINGTON, D.C.--Senators Bob Dole and James Pearson today announced Department of Labor grants to Kansas totalling \$1.75 million. Money will be used to extend the Work Incentive program and a number of local manpower projects in the State.

\$1,323,000 went to the Kansas Employment Security Division to continue the Work Incentive (WIN) program through June. The program registers employable welfare recipients and provides the manpower services they need to get jobs and become self-supporting.

The remainder of the money was allocated to agencies which sponsor Neighborhood Youth Corps (NYC) and Operation Mainstream (OM) projects throughout the State. NYC gives jobs to young persons from poor families to help them stay in school or, if they are dropouts, to help them prepare for unsubsidized employment. The in-school segments were funded through the end of the school year, the out-of-school till July 20.

Mainstream projects, now funded through August, give jobs to older workers who have suffered unemployment.

Following are the local grants:

\$38,704 for 54 NYC in-school enrollees and 18 out-of-school enrollees
