FHA LOAN TO WABAUNSEE COUNTY

WASHINGTON, D.C.--Senators Bob Dole and James Pearson today announced approval of a \$26,000 Rural Development Loan to Rural Water District No. 1 of Wabaunsee County, to help finance the enlargement of its water distribution system. In 1969 Farmers Home Administration approved a loan of \$105,000 and a \$27,000 grant to assist the organization in the development of this water system.

The loan will enable the water district to expand the treatment plant to provide service to 16 more users within the district, bringing the total to 88 homes and other establishments receiving an adequate water supply.

Mr. John Leeper of Maple Hill is chairman of the rural water district.
