ADDITIONAL FUNDING MADE AVAILABLE FOR BRIDGEPORT PROJECT

WASHINGTON, D.C. --Senator Bob Dole and Congressman Garner Shriver today announced that an additional \$2 million dollars will be made available by the Department of Housing and Urban Development to the Wichita Urban Renewal Agency for the Bridgeport Project. Dole and Shriver had previously announced \$3 million in funding and today's announcement brings the total to \$5 million.

Dole and Shriver have both been working closely with HUD officials over the past several months in an effort to obtain adequate funding for the project. "This latest announcement," Dole said, "will enable the Wichita Urban Renewal Agency to complete land acquisition and the relocation process. Both Congressman Shriver and I are pleased that the people living in the Bridgeport area can finally be assured their needs are being met."
