## \$50,000 FHA GRANT TO LURAY

WASHINGTON, D.C.--Senators Bob Dole and James Pearson and Congressman Keith Sebelius today announced that the Farmers Home Administration has approved plans and reserved funds for a grant of \$50,000 to the City of Luray under the Rural Development program for use in buying a 20-acre tract for development as an industrial park and making improvements, including the installation of utilities.

Funds for the grant will be held available by FHA for delivery when final conditions have been fulfilled by Luray.
