DOLE TO TOUR PENNSYLVANIA SATURDAY ON BEHALF OF GOVERNOR REAGAN

WASHINGTON-- Senator Bob Dole (R.-Kansas) will tour Pennsylvania Saturday on behalf of former California Governor Ronald Reagan.

Pennsylvania will hold a presidential primary election on Tuesday, April 22.

Dole, who endorsed Governor Reagan March 30, in Kansas City, says "I'm more than happy to appear on behalf of Governor Reagan. It is my firm conviction that Governor Reagan will not only win the Pennsylvania Primary and the Republican nomination, but will go on to win a resounding victory in November."

Senator Dole will appear in Erie, Johnstown, Lancaster and Wilkes-Barre/Scranton. It is expected he will be joined by a number of other members of Congress to express their support for Reagan's effort.

Senator Dole also expects to travel to Texas to appear for Reagan before that state's May 3rd Primary.
