### DOLE ANNOUNCES ACADEMY NOMINATIONS

WASHINGTON -- Senator Bob Dole (R.-Kan.) today announced the selection of 38 young Kansans as the 1982 nominees to compete for appointments to the United States Air Force Academy, Merchant Marine Academy, Military Academy, and Naval Academy.

"These nominees speak well for the quality of our Kansas youth--their academic preparation, leadership qualities, and physical fitness are exemplary," Dole said.

Using the competitive method of nomination, Senator Dole nominates a slate of ten individuals for each vacancy he intends to fill. As the final step in the process, each academy then evaluates the candidates and offers an appointment.

"Admission to one of the nation's military academies is a real honor. We are proud of our Kansans who are offered an appointment and choose to serve in our armed forces," Dole said.

Admissions representatives are now contacting such candidates to offer an appointment. Notification will continue through the middle of April.

A few candidates were offered an appointment after receiving a prior nomination from another office. To avoid unnecessary duplication, those individuals are not listed on Senator Dole's list.

The nomination process begins in the fall, usually during the senior year of high school. At that time, those interested in a possible academy appointment, should contact Senator Dole and each academy admissions office for application materials. The deadline for submitting completed admission forms in 1983 is early December.
