DOLE ON HAIG RESIGNATION

WASHINGTON -- Senator Robert Dole (R.-Kan.) today made the following statement on the resignation of Secretary Alexander Haig:

"I was surprised by the suddenness of Secretary Haig's resignation today. Until I know the full details of this decision, I have no comment on Secretary Haig," Dole said.

"What I do know, however, is that George Shultz is an outstanding man who will bring great strength to the Cabinet and the Administration."
