

ELIZABETH DOLE, MORRIS KAY AGREE:

THIRD YEAR TAX CUT IS GOOD FOR KANSAS

TOPEKA -- Presidential Assistant Elizabeth Dole, in a campaign visit to Topeka today for Congressional candidate Morris Kay, questioned Kay's opponent, who is advocating an additional half billion dollar tax burden on Kansas taxpayers over the next two years.

"According to the Joint Committee on Taxation, the third year of the tax cut for individuals scheduled to become effective next July will save Kansans \$497 million in 1983 and 1984," said Mrs. Dole. "These tax reductions will keep nearly half a billion Kansas dollars in the State, where it belongs."

"As a Kansas taxpayer, I oppose efforts to raise the tax burden on ordinary men and women who will benefit from the third year tax cut," said Mrs. Dole, who is married to Kansas Senator Bob Dole.
