

SENATOR BOB DOLE -- MORRIS KAY FOR CONGRESS

This is Senator Bob Dole.

I have been in Kansas campaigning for my good friend
Morris Kay.

Morris is a Congressional candidate who deserves to be
elected for all of the right reasons: He is experienced; he
is dedicated; he will listen to his constituents; and he
will represent them every time a vote comes up in the House
of Representatives.

I have known Morris for a long time, and there is simply
no question that he is the candidate who can work with those
of us in Washington.
