## DOLE ANNOUNCES ACADEMY NOMINATIONS

WASHINGTON -- Kansas Senator Bob Dole today announced the selection of 41 young Kansans as the 1984 nominees to compete for appointments to the United States Air Force Academy, Merchant Marine Academy, Military Academy, and Naval Academy.

"These nominees speak well for the quality of our Kansas youth -- their academic preparation, leadership qualities, and physical fitness are exemplary," Dole said.

Using the competitive method of nomination, Senator Dole selects a slate of ten individuals for each vacancy he intends to fill. As the final step in the process, each academy then evaluates the candidates and offers an appointment.

"Admission to one of the nation's service academies is a real honor. We are proud of our Kansans who are offered an appointment and choose to serve in our armed forces," Dole said.

Admissions representatives are now contacting successful candidates to offer an appointment. Notification will continue through the middle of April.

A few candidates were offered an appointment after receiving a prior nomination from another office. To avoid unnecessary duplication, those individuals are not included on Senator Dole's list.

The nomination process begins in the fall, usually during the senior year of high school. At that time, those interested in a possible academy appointment, should contact Senator Dole and each academy admissions office for application materials. The deadline for submitting completed admission forms is early December.
