## DOLE PUSHES FOR DEBATE, FAIR LEGISLATION ON VIDEO BILL

WASHINGTON -- Following the cancellation of a subcommittee vote on a bill that would deal with a dispute over video tape royalties, Kansas Senator Bob Dole today indicated that some proposal should be examined by the full committee.

"I have not made up my mind on any bill," said Senator Dole. "I am hopeful that the parties involved in this dispute will sit down, talk, and arrive at some agreement that protects the interest of the consumer and the artist without Congressional interference. However, if that isn't possible, legislation is needed that is fair to all sides.
