WASHINGTON -- Kansas Senator Bob Dole today released the following statement concerning the nominations for U.S. Attorney for Kansas:

There have been several recent news reports concerning the Kansas United States Attorney nominations. Most of the articles have listed four nominees that Senator Kassebaum and I submitted on January 13.

I have, however, since nominated another nominee -- Douglas Comer, of Kansas City. Mr. Comer is a former Assistant U. S. Attorney for Kansas, and currently serves as the Chief Counsel for the U. S. Senate Judiciary Subcommittee on Courts.
