### DOLE PLEASSED WITH FINDINGS OF MEESE INQUIRY

WASHINGTON -- Kansas Senator Bob Dole, a member of the Senate Judiciary Committee, released the following statement after reviewing the five-page "Description of Report and Summary of Conclusions" dealing with 11 separate inquiries relating to Edwin Meese.

"I have reviewed the 'Description of Report and Summary of Conclusions.' It clearly states that there was no violation of any criminal federal statute. I will examine additional information as it becomes available, but this summary is conclusive."

"The results must be pleasing to Ed Meese and his family, and I for one am not the least bit surprised by the findings of the Office of Independent Counsel."
