STATEMENT BY SEN. BOB DOLE ON 1986 RE-ELECTION CAMPAIGN

Washington, DC -- Kansas Sen. Bob Dole today issued the following statement in response to the announcement by Rep. Dan Glickman that he will not challenge Dole in the 1986 elections:

"The decision to run, or not to run, is always one of the most difficult for any political figure. To the question of how this affects my own plans for 1986, I can only say that we still anticipate a challenge and will wage a strong and active campaign. In the meantime, I will continue to serve the people of Kansas to the best of my ability."
