## DOLE ISSUES NEW YEAR'S RESOLUTION

WASHINGTON -- SENATOR BOB DOLE (R-KANSAS) TODAY OFFERED HIS 1987 NEW YEAR'S RESOLUTION.

"I have a simple resolution this year: that we, as Americans, remember. We remember the principles that this nation was founded on -- the essential freedoms we all enjoy. We remember our roots. We remember the bounty of this nation, our natural resources, and our human resources as well. We remember that we live in peace.

And in remembering, that we take stock, recognize what a privilege it is to be Americans, and pledge that we work together -- Republicans, Democrats and independents alike, to meet the many challenges we face as a nation."
