### DOLE ANNOUNCES \$1.8 MILLION FOR JOHNSON COUNTY EXECUTIVE AIRPORT

Washington, D.C. -- Senator Bob Dole (R-Ks) announced today that the Johnson County Executive Airport, Olathe, will receive \$1.8 million from the Federal Aviation Administration (FAA).

"Our airports must continually be upgraded and developed to maintain dependable air service. This funding will add substantial improvements to the Executive Airport and will enhance the already existing top-flight service that Johnson Countians depend on," said Dole.

The funds will be used to construct an apron, to improve an access road, and to acquire land for development and approaches. The grant was awarded under the FAA's Airport Improvement Program.
