DOLE ANNOUNCES \$459,000 GRANT FOR WICHITA'S JABARA AIRPORT

WASHINGTON - Kansas Senator Bob Dole announced today that the Col. James Jabara Airport, Wichita, has been awarded \$459,000 by the Federal Aviation Administration, a division of the Department of Transportation. The funding will be used to improve runway safety. The discretionary funding comes from DOT's Airport Improvement Program.

"Jabara Airport continues to provide essential transportation service for Wichita and the surrounding communities. As more and more Kansans travel by air, it is important to make certain that safety measures at our airports are continually upgraded and always in good working condition," said Dole.
