**SALINA FIRM WINS MAJOR DESIGN CONTRACT FOR
NEW DOMICILIARY AT LEAVENWORTH**

WASHINGTON - Kansas Senator Bob Dole announced today that Wilson & Company of Salina has been awarded a \$767,585 design contract for the new Veteran's Administration Domiciliary in Leavenworth, a project that earned Congressional approval with the support of Senator Dole.

"I'm pleased that a Kansas firm won this contract, and pleased with the jobs it will bring with it. This is a significant upgrade for the Leavenworth VA, and it's important that this worthwhile project move forward. I will continue to work hard to ensure sufficient funding levels are met to complete this building," said Dole.

The project includes a new 208-bed domiciliary with renovation and replacement of the entire facility. Scheduled completion date is August, 1995.
